# İPEK KUYUÇAK GÜMÜŞ

Hello from Fethiye, Turkey,

my name is Dr. İpek Kuyucak, I am a dentist who practises alongside Dr. Ali Oguzhan Dag here in Fethiye.

I am dedicated to providing the highest possible corrective treatment for all of my patients. I am able to provide various dental procedures, in particular, aesthetic fillings, root canal treatment , teeth whitening, smile design and various other personal aspects of dental care. I thoroughly enjoy all aspects of my career in dentistry and pride myself in providing a dedicated service to all patients in my care.
